EGAN LAWSON CELEBRATES 20 YEARS

Egan Lawson was established in June 1990 by Geoff Egan and Dougie Lawson as a specialist property investment and asset management consultancy for commercial property investors.

Over the past 20 years, the business has grown organically to a point where the company has twenty staff specialising primarily in investment and asset management with approximately £1bn of commercial property under management. We are however, still small enough to provide clients with a personal service.

We have just re-branded our website which can be viewed at: www.eganlawson.com

With our very best wishes to all our clients, investors, business associates and friends.
